About Event ►

Introduction

9th World Oil and Gas Equipment Exhibition (WOGEC 2024), Organized by China Innovation Petroleum Union Group, gets supports from the partners, such as China Chamber of Commerce for Petroleum Industry(CCCPI), China Council for the Promotion of International Trade Shaanxi Sub-Council (CCPIT-Shaanxi) and Xi 'an Chanba International Port Management Committee.

WOGEC 2024, composed of One Expo and Two Conferences, namely, World Oil and Gas Equipment Exhibition, World Oil and Gas Conference and World Oil Equipment Procurement Conference, will be held at Xi'an International Convention and Exhibition Center, Shaanxi Province of China, on 7th-9th November 2024. Welcome to be part of us.

Location | Xi'an City, Shaanxi Province of China

Xi'an, the capital of Shaanxi Province, is a subprovincial city on the Guanzhong Plain, the city is the most populous city in Northwest China. Known as Chang'an in much of its history, Xi'an is one of the Chinese Four Great Ancient Capitals and the second most popular tourist destination in China. The city is the starting point of the Silk Road and home to the Terracotta Army of Emperor Qin Shi Huang, both of which are listed as UNESCO World Heritage sites.

The Chang'an China-Europe freight train service was launched in 2013, when China proposed the Belt and Road Initiative. In the past ten years, Xi'an International Port, the starting station of the Chang'an China-Europe freight trains, has been developed from a small cargo station to an international logistic hub.

Xi'an is home to multiple prestigious educational institutions in Northwest China, such as Xi'an Jiaotong University, Northwestern Polytechnical University, Xidian University and Northwest University.

Shaanxi has a rich resource of coal, oil and natural gas reserves, making it a hub for oil and energy companies. Some of the major oil and energy companies operating in Shaanxi include China National Petroleum Corporation, Shaanxi Yanchang Petroleum Group, PetroChina Changqing Oilfield Company, Shaanxi Gas Group, Shaanxi Coal and Chemical Industry Group, and Shaanxi Provincial Electric Power Company.

Why Exhibit

Global Exhibitors

More than 500 leading exhibitors from all over the world, together with 10 country pavilions, such as Russia, Kazakhstan, Uzbekistan, Iran, Mexico, Malaysia, Indonesia, Nigeria, Angola and Oman, will gather in Xi'an of China.

01

Global Buyers

The Buyers mainly come from the world's top oil-producing countries and they will have the dedicated space to display the procurement catalog to welcome the right suppliers/ exhibitors at the 9th World Oil Equipment Procurement Conference.

02

Networking Opportunities

To obtain as many knowledge, partners, information, opportunities as possible, lots of concurrent events, such as the 3rd World Oil and Gas Conference, Welcome Banquet, New Product and Technology Promotion Conference and Oilfield Workers Skills Competition can't be missed.

03

Energy Base

Shaanxi province has not only the oil equipment manufacturing industry base, including the large enterprises, such as Baoji Oilfield Machinery Co., LTD and Baoji Petroleum Steel Pipe Co., Ltd., but also the giant oilfields, such as Changqing oilfield and Yanchang oilfield.

04

International Transport Hub

Xi 'an is the starting point of the Land Silk Road and the departure station of the China-Europe Express Chang'an special train for the Trans-Caspian International Transport Corridor (Xi'an-Baku). The city's history and location are great attractions to the businessman from all over the world.

05

High-level Platform

WOG2024, the largest petroleum exhibition in central and western China, will attract a broad range of high-level delegates of energy ministers, ambassadors, oil city mayors, multinational company CEOs and top university presidents around the world, which will make contribution and voice for the industry.

06

Exhibit Categories

Petroleum Equipment

Exploration Equipment, Drilling Equipment, Fracturing Equipment, Solid Control System, Wellhead Equipment, Down-hole Tools, Storage and Transportation Equipment, Environmental Protection Equipment, Oil Field Special Vehicles, Oil Field Intelligent Equipment, etc.

Refining

Distillation Equipment, Centrifugal Dewatering Machine, Refinery Reactors, Catalytic Converter, Heat Ex-changer, Cooling Tower, High Pressure Separator, Blower, Furnace, Combustion Furnace, Decoking Systems, Refining Column, etc.

Gas

Natural Gas Exploration, LNG Engineering, LNG Carriers, Gas Station Equipment, Compressed Natural Gas Equipment, Heating and Urban Gas, Coal Bed Methane Mining, Cryogenic Equipment, etc.

Instrumentation

Temperature Instrumentation, Pressure Instrumentation, Level Instrumentation, Flow Instrumentation, Actuator, Testing Instrument, Instrumentation Cabinet, Wire and Cable, etc.

Safety Products

Explosion-Proof Lights, Explosion-Proof Camera, Security Monitoring, Inspection Drone, Oil and Gas Leakage Alarm Instrument, Explosion-Proof Lightning Warning System for Storage Base, Rescue Equipment, etc.

Pump & Valve

Mud Pumps, Canned Motor Pump, Submersible Pump, Ball Valve, Gate Valve, Check Valve, etc.

New Material

Carbon Fiber, Composite Material, Nanometer Material, Special Rubber, Polyurethane, High-Performance Polyolefin Material, Coating, Adhesive, Additive, etc.

Pipes and Fittings

Flanges, Elbows, Oil Pipes, Non-Metallic Composite Pipes, Pipe Inspection, Welding, etc.

Others

Oilfield Chemical, Anti-Corrosion, Paint, Water Treatment Agent, Petroleum Additives, etc.

3rd World Oil and Gas Conference (WOGC)

Conference Review

Jose Ramon Silva Arizabala
Committee Member/Tamaulipas
Energy Agency, Mexico

Moshe Rizal
Chairman /Indonesian Migas National
PNG

Deepak Shinde
Global Sourcing & Supply Chain
Leader/Larsen & Toubro Limited

Carlos Adrián García a Basto
General Director/Department of
Energy, Campeche State, Mexico

Ts. Syed Saggaf Bin Ahmad
President/The Malaysian Oil, Gas &
Energy Services Council (MOGSC)

Sanjiv Padman
Business Development Manager/Busi-
nessgateways International Oman

Ricardo Ortega Lopez
Chairman/Oil and Gas Alliance of
Mexico

Ikhwan Sunoto
Head of Supply Chain Manage-
ment/E&P O&M Services Sdn. Bhd.

Ts. Anwarudin Saidu Mohamed
Executive Director/Reservoir Link
Energy Bhd

Ts Sharifah Zaida Nurlisha
Vice President/Malaysian Oil and
Gas Engineering Council

Muhammad Nazirul Bin Mohd Azhar
MARINE SUPERVISOR/Sapura Drilling
Services Pvt Ltd

Mohamed El Menshawy
CEO/Procurremensch

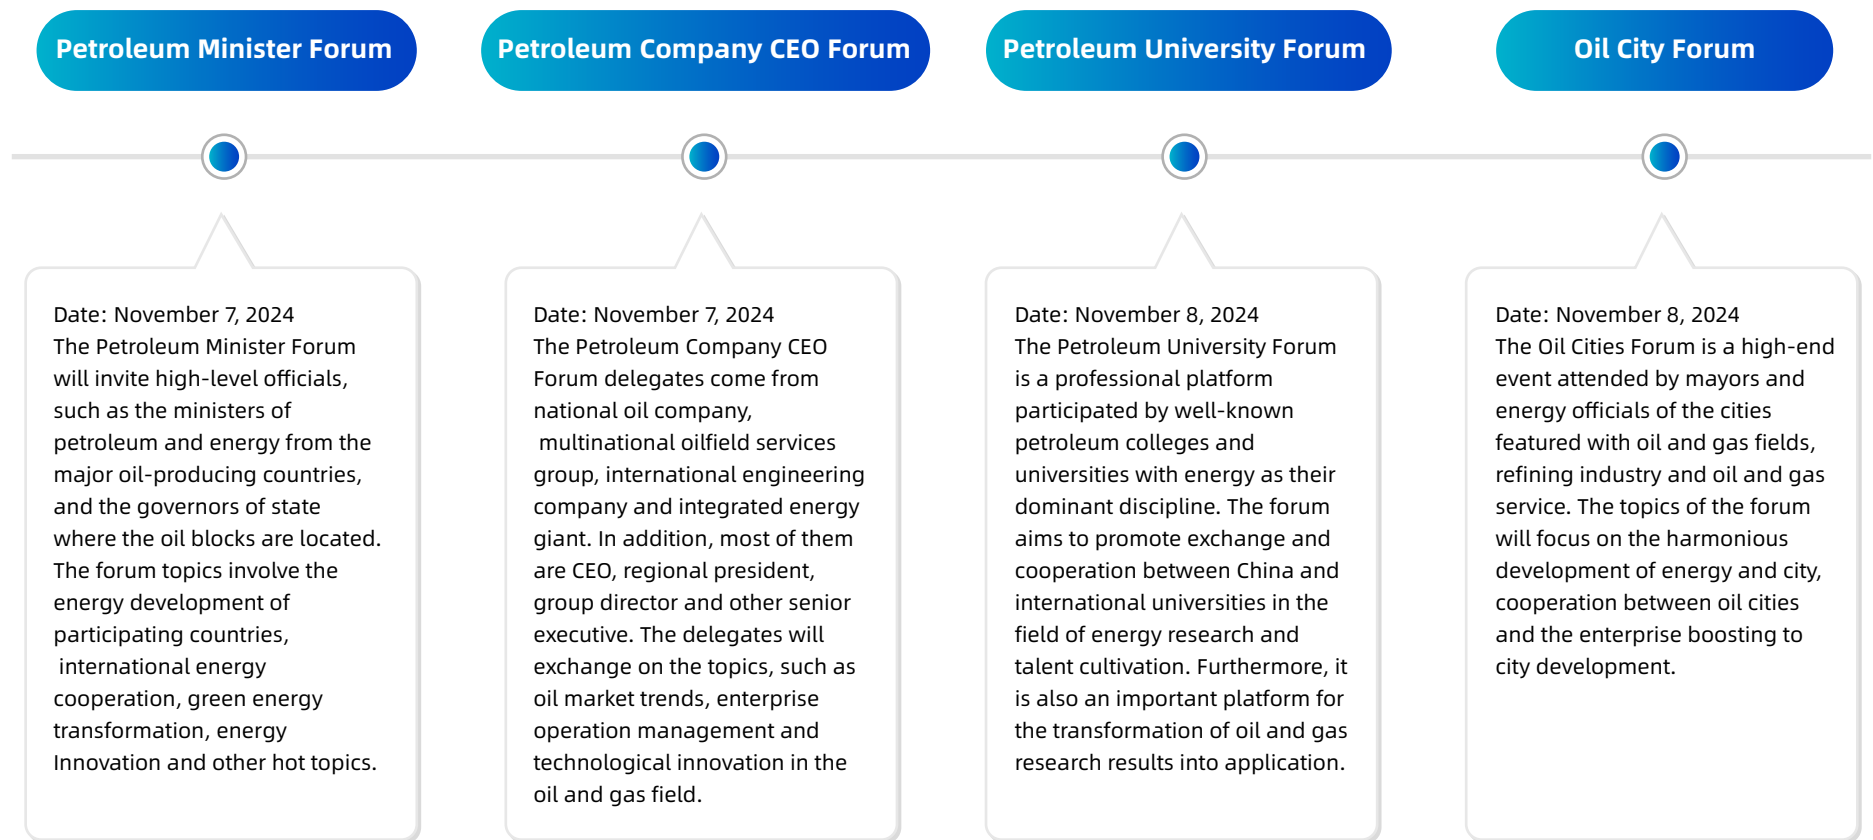

The 3rd World Oil and Gas Conference (WOGC) is going to be held on 7-8 November 2024 at the Convention Building of XIAN ICEC. It is formed of the Petroleum Minister Forum, the Petroleum Company CEO Forum, the Petroleum University Forum and the Oil City Forum.

3rd World Oil and Gas Conference (WOGC)

9th World Oil Equipment Procurement Conference

The 9th World Oil Equipment Procurement Conference (WOPC) will invite more than 200 international buyers, each of whom will have their own dedicated space to display the purchasing catalog to attract the right suppliers. The targeted matchmaking that is matched before the show will start at first, and then followed by free matchmaking with random exchange so that both buyers and suppliers can carry out more extensive communication.

200
Buyers

630
Discussions

500 +
Suppliers

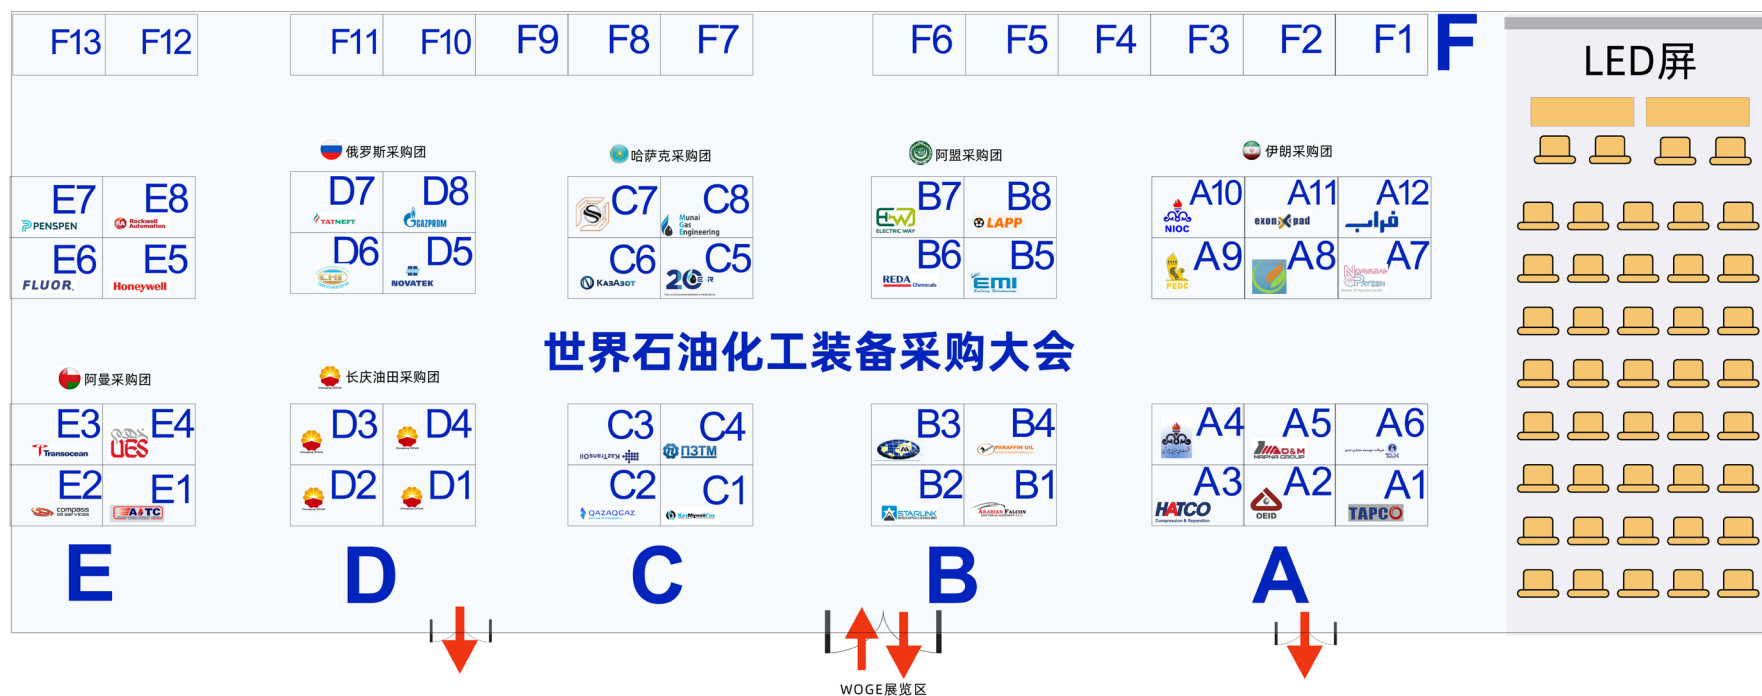

1500 m²
Area

WOPC Floor Plan

WOPC also set up a Procurement Presentation Area, through which the national purchasing pavilion of Mexico, Kazakhstan, Iran, the League of Arab States pavilion and a number of Chinese oil fields, can introduce their main buyers, purchasing products, procurement plans and process, etc.

Concurrent Events

Welcome Banquet

It is an excellent opportunity to build trust, consolidate friendship and pave the way for cooperation with VIPs, such as government officials, oil company executives, oilfield service company purchasing managers and industry association chairmen.

New Product and Technology Promotion Conference

The exhibition will create a special area to encourage the promotion and application of new products and technologies in the oil and gas industry. The area is equipped with screens, microphones, computers, stages and other equipment allowing the companies to display their innovative products and technologies to the audience with pictures and texts.

Oilfield Worker Skills Competition

The Oilfield Worker Skills Competition will invite practical workers and professional engineers from large oil fields and well-known oilfield blocks at home and abroad to share their valuable experience and innovative methods accumulated in oilfield work. The excellent skills and solutions in certain fields will be awarded after evaluation by the experts.

Visitor Scope

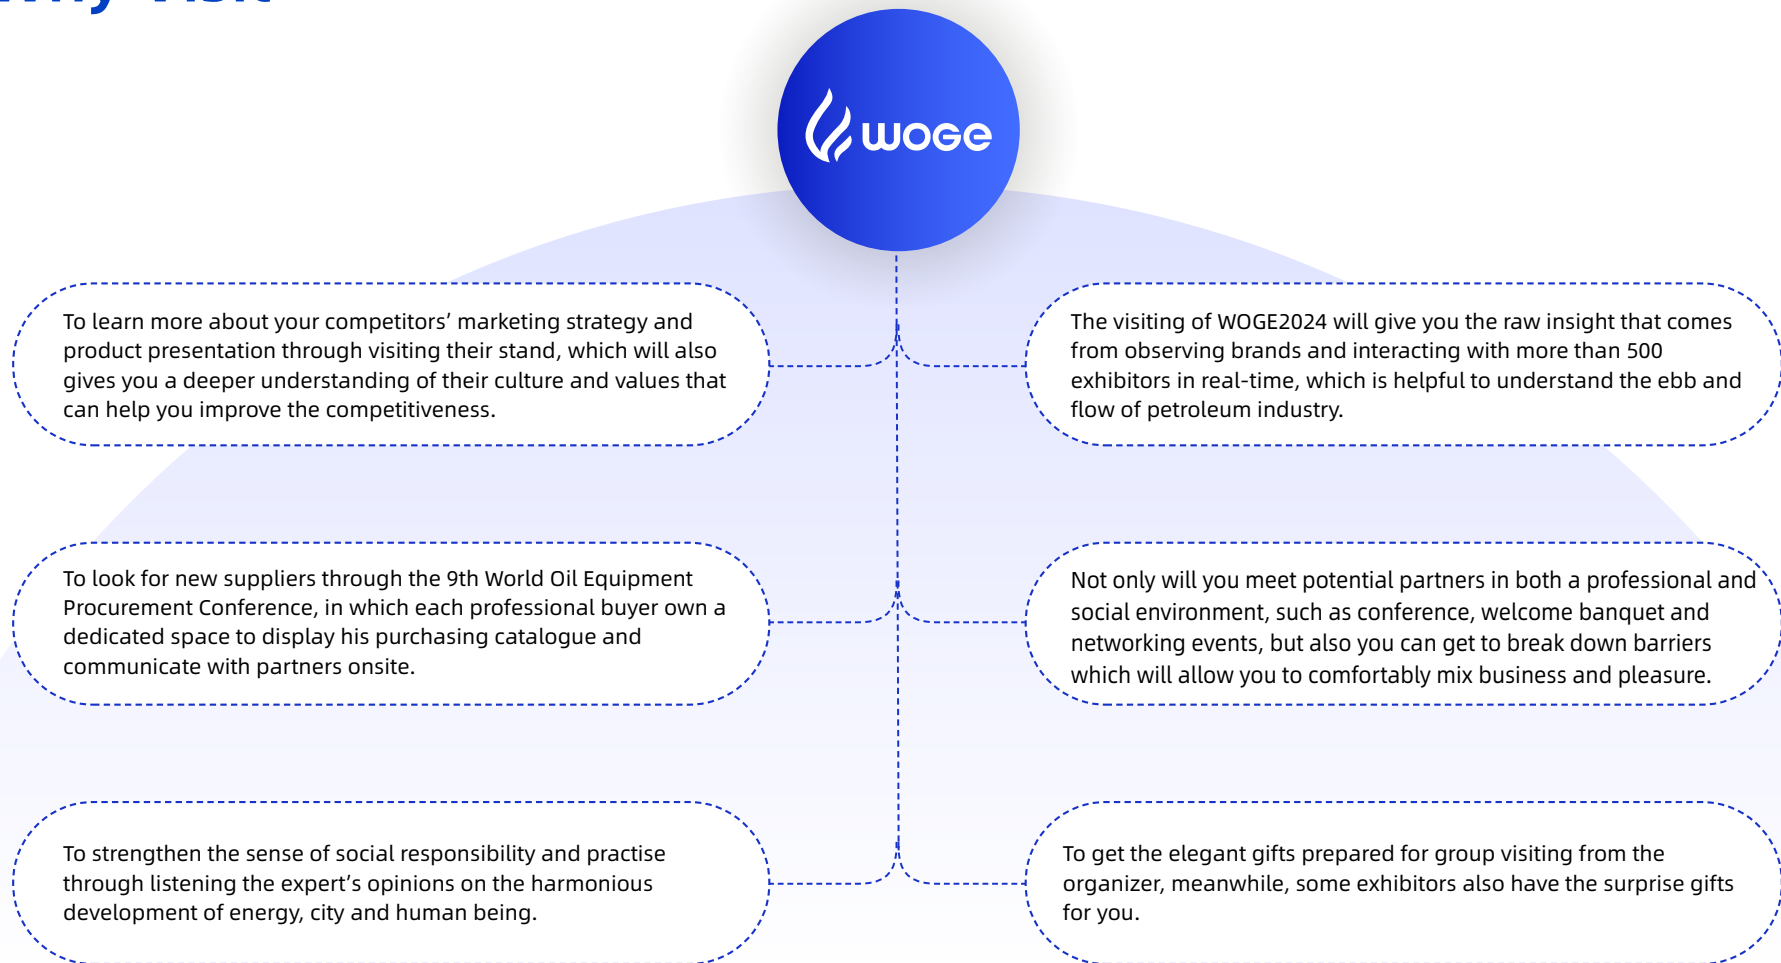

By Industry

Oil Company
 Oil Service Company
 Drilling Company
 EPC Engineering
 Chemical Plant
 Oil and Gas Field
 Exploration Company
 Certification Service
 Trading Company
 Logistics Company
 Maintenance Service
 Environmental Enterprise
 Government
 Research Institution
 University
 Association
 Media
 ...

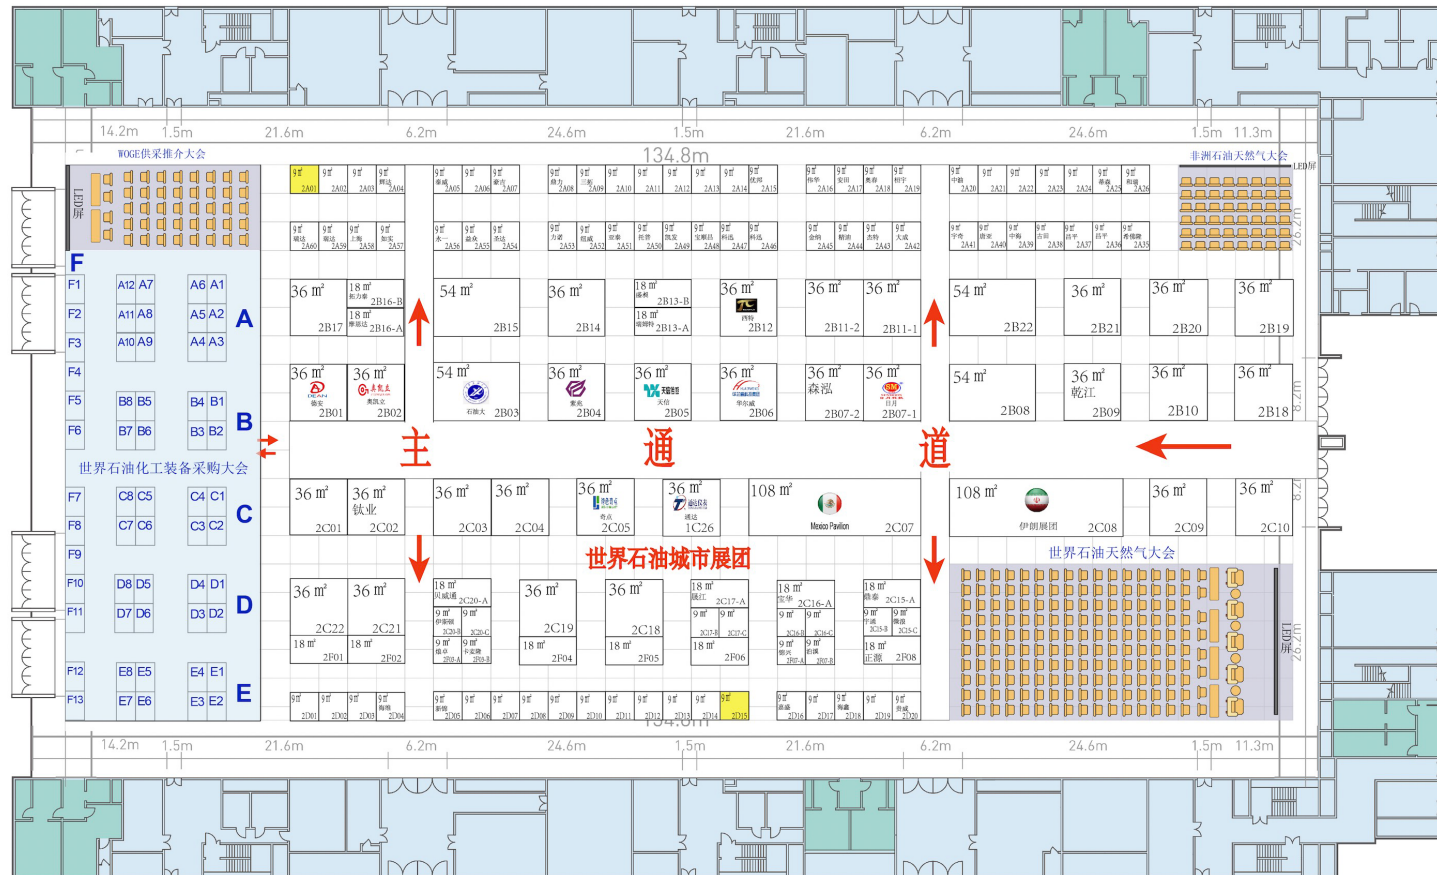

By Occupation

CEO
 Purchasing Manager
 Marketing Manager
 Industrial Park Director
 Trading General Manager
 Oil City Mayor
 University President
 College Professor
 Drilling Engineer
 Institute Researcher
 Commerce Bureau Director
 Exhibition Bureau Director
 Association Secretary General
 Oilfield Senior Technician
 Maintenance Technician
 PhD Student
 Media General Manager
 ...

Why Visit

The Floor Plan

The Booth and Price

Shell Scheme: 4200 \$/9 sqm

Basic Configuration: Spotlights, Information Desk, Negotiating Table, Folding Chairs, 220V/2.5A Socket, Fascia Board

Open Fee: 10% extra fee will be charged for corner stand and 15% for three-open

Registration Fee: 420 \$ per company

Space Only: 250 \$ /sqm (Minimum 36 Sqm)

Registration Fee: 420 \$ per company
